

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: November 7, 2000 General Municipal Election

MEETING DATE: March 1, 2000

PREPARED BY: City Clerk

RECOMMENDED ACTION: It is recommended that the Lodi City Council adopt the following resolutions pertaining to the November 7, 2000 General Municipal Election:

- a) Resolution No. 2000-34 entitled, "A Resolution Of The City Council Of The City Of Lodi, California, Calling And Giving Notice Of The Holding Of A General Municipal Election To Be Held In The City On Tuesday, November 7, 2000, For The Election Of Certain Officers Of The City As Required By The Provisions Of The Laws Of The State Of California Relating To General Law Cities";
- b) Resolution No. 2000-35 entitled, "A Resolution Of The City Council Of The City Of Lodi, California, Adopting Regulations For Candidates For Elective Office Pertaining To Candidates Statements Submitted To The Voters At An Election To Be Held On Tuesday, November 7, 2000"; and
- c) Resolution No. 2000-36 entitled, "A Resolution Of The Lodi City Council Determining That There Will Be No Filing Fee Charged For The Processing Of Candidates' Nomination Papers For The November 7, 2000 General Municipal Election".

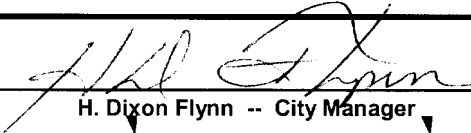

BACKGROUND INFORMATION: The 2000 General Municipal Election for two Council seats will be held Tuesday, November 7, 2000. The terms of Council Members Land and Mann are expiring.

By State statute a number of actions and decisions must be made by the Council prior to the opening of nominations.

- a) It will be necessary for the City Council to adopt a resolution calling and giving notice of the holding of a General Municipal Election in the City of Lodi on November 7, 2000.

On October 19, 1988, the City Council adopted Ordinance No. 1438 consolidating Municipal Elections with State-wide General Elections. This Ordinance was approved by the San Joaquin County Board of Supervisors on February 7, 1989.

APPROVED: _____

H. Dixon Flynn -- City Manager

- b) The California Election Code allows each candidate, for a non-partisan elective office in a city, to prepare a statement to be included with the sample ballot and mailed to each registered voter.

The law requires the Council to adopt a policy no later than seven days before the nominations period opens regarding the candidates' obligation for payment for candidates' statements. The policy may also include the City's position on three additional aspects of the voters' pamphlet mailing.

1. **Payment**

Election Code §13307 allows the City to estimate the total cost of printing, handling, translating and mailing the candidates' statements and requires each candidate filing a statement to pay in advance to the City his or her pro rata share as a condition of having his or her statement included in the voters' pamphlet. The cost of the candidates' statement may be borne by the City, the candidate, or the cost shared between them. (It should be noted that the City has in the past elected **not** to charge candidates for the cost of the candidates' statements.)

2. **Word Limit**

The Council may authorize an increase in the limitation on words for the statement from 200 to 400 words. (It should be noted that the City has in the past elected **not** to increase the word limitation to 400 words.)

3. **Spanish Language**

Federal law does not require Spanish translation in San Joaquin County. The City Council may wish to reflect State law which allows candidates to request Spanish candidates' statements.

Options that the City Council might consider are:

- Have translated and printed in the voters' pamphlet only the candidates' statements of those candidates who request translation and printing.
- Have all candidates' statements translated and printed in the voters' pamphlet.
- Have all candidates' statements translated and available upon request in the City Clerk's office.
- Have all candidates' statements translated but print only those statements which the candidate requests to be printed, others available upon request in the City Clerk's office.

(The City Council in the past has **not** charged candidates for these translations and has elected to allow candidates to request Spanish candidates statements.)

- c) It will be necessary for the City Council to adopt a resolution determining whether or not there will be a filing fee for nomination papers.

§10228 of the Election Code of the State of California provides that a filing fee proportionate to the costs of processing a candidate's nomination papers as determined by the City Council and set by ordinance but not exceeding twenty-five dollars (\$25), may be imposed, to be paid upon the filing of such nomination papers.

California courts have ruled that you may not refuse to place a candidate's name on the ballot due to an inability to pay the filing fee. If the fee cannot be waived, an alternative must be provided. Court guidelines are similar to Election Code §8106 providing for the substitution of four additional signatures for each one dollar of the filing fee, or an additional one hundred signatures.

(In the past the City Council determined that there would be **no** filing fee for the processing of candidates' nomination papers.)

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Establish Policy If No One, Or Only One, Person Is Nominated For An Elective Office In The November 7, 2000 General Municipal Election

MEETING DATE: March 1, 2000

PREPARED BY: City Clerk

RECOMMENDED ACTION: That the City Council adopt Resolution No. 2000-38 providing for the appointment to the offices of this City that were to be elected Tuesday, November 7, 2000 of the persons who have been nominated if there are not more candidates than offices to be elected.

BACKGROUND INFORMATION: §10229 of the Election Code allows for one of the following courses of action to be taken by the City Council in the event there are not more candidates than offices to be elected, or if no one is nominated:

- Appoint to the office the person who has been nominated.
- Appoint to the office any eligible voter if no one has been nominated.
- Hold the election if either no one or only one person has been nominated.

Council may recall that a number of years ago only the incumbents were nominated for office at the General Municipal Election held in Lodi. State statute, at that time, mandated that the election be held. The City had to bear the cost of the election and the voter turnout was extremely low. State statutes have since been amended to allow for a number of courses of action which can be followed should this happen. However, the decision on which course of action is to be followed must be adopted by the City Council prior to the election.

The Provisions of this statute do not apply if, at the subject election, more than one person has been nominated to another City office to be elected on a City-wide basis or city measure has qualified to be placed on the ballot.

In the event that no nominations are received, this matter will be brought back to the Council following the close of nominations for Council to decide if it wishes to appoint eligible voters to the office or hold the election which would then allow for write-in candidates.

AGENDA TITLE: Resolution Providing That The Determination Of A Tie Vote By Candidates Who Receive An Equal Number Of Votes And The Highest Number Of Votes For One Office In The November 7, 2000 General Municipal Election Will Be By Lot

MEETING DATE: March 1, 2000

PREPARED BY: City Clerk

RECOMMENDED ACTION: That the City Council adopt Resolution No. 2000-39 providing that the determination of a tie vote by candidates who receive an equal number of votes and the highest number of votes for one office in the November 7, 2000 General Municipal Election will be by lot.

BACKGROUND INFORMATION: §15651 of the State of California Election Code provides that the determination of a tie vote by candidates who receive an equal number of votes and the highest number of votes for one office in an election to be either by lot or by the conduct of a special runoff election.

A special runoff election shall be held only if the legislative body adopts the provisions for the special election prior to the conduct of the election resulting in the tie vote.

Because of the time and cost involved in conducting a special runoff election, it is recommended that the tie vote be determined by lot which process would be conducted by the City Clerk at the City Council meeting immediately following the canvass of the subject General Municipal Election.
